

Inmate Moms Ask for Your Help

Dear Friends in Christ,

Mel and I had the opportunity to visit the Dr. Eddie Warrior Women’s Correctional Facility in Oklahoma last month and met many moms who came to Christ or were encouraged in their walk. We will also be visiting an Ohio women’s facility this coming Mother’s Day.

These Daughters on the inside are coming to faith and serving Christ daily in prison. They are asking for our help to send a **Children’s Gift Box** to their children. We need your help to reach these children. The request from the moms inside these two facilities total about 532 children. Will you take this need before your church, women’s group or fellowship to see if they will help us meet this goal by May 31st, which is our delivery date to the Children of these Christian moms?

As we celebrate Mother’s Day, these children will not have their mom at home with them. They are separated by the bars of prison. The children of women inmates are no different than other kids. They want to feel safe. They want to feel and experience nurturing love. They want to be part of a family and be with their mom. Sadly, many of these children suffer greatly during this time away from their mom.

No mother wants her child to repeat the same mistakes she made. That’s why they are requesting our help to reach their children. We need you to help us get sponsors for these children! Each **Children’s Gift Box** is a personal expression of a mother’s love for her children even when she can’t be with them. The **Children’s Gift Box** discipleship kits teach these kids that Jesus Christ is a source of support and love that will help heal and restore their broken hearts and their broken homes.

Children’s Gift Box

“Let the little children come to me and do not forbid them; for such is the kingdom of heaven.”

Matthew 19:14

The **Children’s Gift Boxes** are \$20 each. Our mission is to provide a way for you to help a mom bring the message of Christ’s love to her children and break the generational patterns of crime that often lead them to follow in their mother’s footsteps. Please join us in our mission to bring every child with a mom in prison into a life-long personal relationship with Jesus Christ.

“Thank you so much for the Children’s Gift Box for my daughter. It means so much to be able to give her something like this. I have Jesus in my life and a new hope for when I get out. I want her to see it and believe me. Thank you for letting me share Jesus with my child.” Wendy- inmate
