PRECIOUS FRUIT IN PRISON

A woman on the Daughters of Destiny team in Illinois say, *“This vineyard is full of low hanging fruit.”* What did she mean?

Well, what she may have meant was this. Many of these ladies have been broken, all the way down to the bottom of the pit. After repeatedly making bad choices they are humbled and eager to learn the truth about how to do life right. They are like baby birds crying to be fed. Many groups come into the prison to reap the harvest, but there is only one way to have their thirst and hunger for truth satisfied. Jesus Christ.

Once fed and bursting with the joy of new life these Daughters of the King begin sharing their fruit. And they have no boundaries. They want to receive everything the Lord has for them and give it all away to the lost women inside. Please read a few of the testimonies we have received from Daughters Inside.

“I wake up each morning with prayer and pray throughout the day. I have happiness upon my heart. My life is wonderful now and I love to show it.” Kristie

“My dream is to share my testimony, what God has done for me. How he saved me and can save them.” LaDonne

“I love to encourage the new women coming in prison, ‘You got to want to change for you not anyone else. With God you can overcome and be the mom, daughter, sister, friend that you always wanted to be.’ I pray for all the women in prisons all across the world”. Lindsay

When women of faith take the time to respond to the call of God and go into the prison lives are changed forever. They now spread their fruit of the Spirit joyfully to other women inside.

From Illinois & Ohio to Washington & Texas along with many other prisons Daughters of Destiny is seeing the fruit of good works. Just last week the Women of Worship (WOW) choir out of Lockhart, Texas answered the call to take their music and ministry inside to His broken Daughters. Joining with Daughters of Destiny all 22 of us went into the Women’s Facility in Lockhart, Texas. Over 300 lady inmates attended the Sunday morning event. The music director shared this response, *“We were so blessed as we worked alongside Daughters of Destiny. Last night at WOW rehearsal, we were sharing with the other ladies things that impacted us from the experience at Lockhart. One thing that we all agreed on was that as Laura began rehearsing her solo, an anointing came on all of us. I was describing what I saw and what I experienced in my heart and Janie confirmed separately that it was God’s anointing. We so want to join Him in this work.”*

Ladies were mentioning how each had about 5 faces that kept coming to them and they continue to pray for them.” Cathie

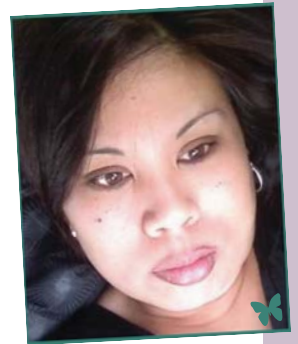

Is God calling you to reach His Daughters Inside? Maybe you thought you could never do something like this? These are ordinary women doing extraordinary work through the power of the Holy Spirit. We are the vessel, He does the work. ✨

Jamie After years of abuse she killed her husband. As she spent many years in prison, she learned to walk with Jesus along with her sisters inside. She sought a church immediately upon release and was welcomed by Christian women. She is active in women's prison ministry and God has opened the doors for her to go back into the San Francisco Jail. She also leads a street ministry in Tenderloin District, reaching hurting women & children for Jesus. Jaime is a Daughter Free giving back for the KING!

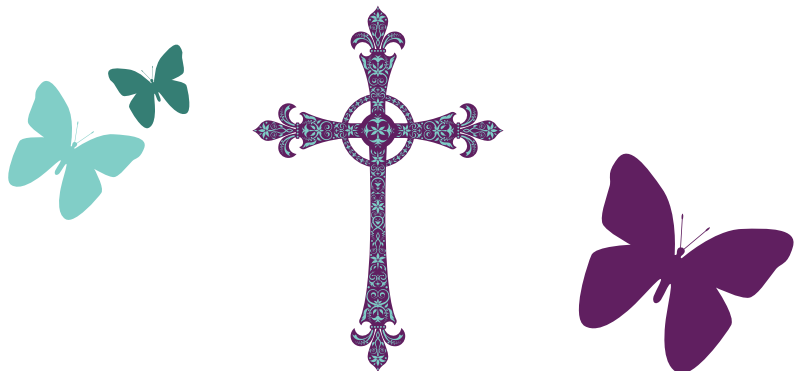

Leia spent 18 months inside for forgery. Women came into the prison and shared the love of Christ. She came to know Him as her savior. Upon release some wonderful ladies invited her to their church. She met a Christian man and they were married on May 7, 2010. She is extremely thankful. She now has a Christian husband and is working on her degree. Leia is a Daughter of Destiny, blessed by the KING! ✨

The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good tidings to the afflicted; He has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the year of the Lord's favor, and the day of vengeance of our God; to comfort all who mourn; to grant to those who mourn in Zion -- to give them beauty instead of ashes, the oil of gladness instead of mourning, the mantle of praise instead of a faint spirit; that they may be called oaks of righteousness, the planting of the Lord, that He may be glorified.

- Isaiah 6:1
